

## **Super Sodium Humate Technical Data Sheet**

### **Product Description**

**Super Sodium humate** is refined [sodium humate](#), has higher [humic acid](#) content and water solubility.

### **Main Specification**

Appearance	Black Flake	Black Powder
Product code	SHA-NaHA-1-F	SHA-NaHA-1-P
Water-solubility	100%	100%
Mesh	1-2mm	/
Mesh	/	60mesh
Humic Acid(dry basis)	75.0% min	75.0% min
pH	9-10	9-10

### **Main Function**

It has all the function of [routine sodium humate](#) with enhanced function.

1. For animal feed additive: Sodium humate will help intestine mucosa cells to avoid toxics. Most important it has good effect to absorb toxins and heavy metals from protein. Stabilize intestinal flora and to enhance animal growth to stimulate the immune system.
2. Industrial binder: work as binder for coke ,coal ,other metal powder.

### **Uses**

1. Feed additive: Chickens, geese, ducks and turkeys, mix 0.2-0.4% sodium humate per kilo of feed.
2. Industrial use: according to the specific working condition.
3. If for agriculture application, we suggest [potassium humate](#).

### **Package**

- 25 kg printed woven/kraft bags with liner inside.
- Jumbo bags with bottom dischargeable.
